Professional Profile

Motivated young professional with a good academic record and sufficient knowledge in programming.

I'm keen to pursue a career in software engineering. Have done well working in some projects and an active participant in cocurricular and social activities.

Core skills & achievements

Familiar with C and Java language and worked in a project using java swing for developing a simple 2D game. Also, worked in a research project.

Education

- Bachelor of Science in Computer Science and Engineering - 2023

Shahjalal University of Science & Technology, Sylhet

- HSC with GPA 5.00 - 2018

Ananda Mohan College, Mymensingh

- SSC with GPA 5.00 - 2016

Police Line High School, Mymensingh

Hobbies and interests

I'm interested in drawing and won some prizes in school. Currently I'm working on digital drawing.

Recently work on a research project in Natural Language processing as an annotator and interested in research work on blockchain and security.
